This is the entirety of the character's lines. The innkeeper runs Dead Man's Inn, which is about as rowdy as it sounds.

1 FX: Door getting thrown open

INNKEEPER: And stay out til you learn how to act!

ROWDY: But I love her and I need to see her!

INNKEEPER: You need to get a job!

LILLIAN: You need medical attention.

ROWDY: Stay out of this!

INNKEEPER: Move it!

FX: Feet running on dirt, innkeeper dusts off hands

INNKEEPER: What are you two doing standing around outside in the fog anyway?

OCTAVIUS: We want to rent a room but our friend is getting our money changed out.

INNKEEPER: Well get inside then! What kind of monsters do you think we are? Leaving you out in the cold!

FX: Door opens and closes, fire burning in the middle of the room

INNKEEPER: Here ya go. Warm up by the fire. Just don't touch the food until your friend gets here then you and your wife can have all you want.

LILLIAN: Oh we're not... married.

INNKEEPER: You and your other friend then?

LILLIAN: Nero? Oh God no.

INNKEEPER: (toying with him now) Him and your friend?

LILLIAN: No, he's not...

INNKEEPER: Hey I don't judge.

LILLIAN: (awkwardly changing the subject) The food looks really good right now.

OCTAVIUS: Seriously. I hope he gets back soon.

LILLIAN: You and me both.

FX: Door opens and closes

NERO: Somebody want to tell me why there's blood on the ground by the door?

INNKEEPER: Never you mind that!

NERO: Oookay. I mean, I saw nothing. Geez. So what's the plan for tonight?

LILLIAN: Nero, I walked "11 mets" today. I need to get these shoes off.

NERO: Dinner sounds amazing right now. How much is for dinner for the three of us?

INNKEEPER: 4200 yats, 48 with the drinks.

FX: Change clinking

INNKEEPER: Thank you, make yourself at home.

LILLIAN: Oh. I can work with this. It's like a buffet.

NERO: You know what buffet stands for, right?

LILLIAN: (covers her mouth) What's that?

NERO: Big Ugly Fat Families Eating Together

LILLIAN: (busts out laughing)

INNKEEPER: I'm keeping that one!

NERO: It's all yours.

2 *Much later, as the bar and kitchen are closing*

INNKEEPER: Nero, right? That memorial is right outside of Lornec. It's not really a safe place to visit in the current political climate.

NERO: Well, why's that?

INNKEEPER: Because it's Lorelei territory. They don't like you or us.

NERO: I'm sure we'll come up with a plan.

INNKEEPER: I'm closing up, you need anything else?
